

The Shamanic Astrology Script or Blue Print

Note: This is an outline for describing the soul's purpose or the mysteries you have come to investigate in the current life. It is not necessarily how you are but rather where you will find the greatest fulfillment, happiness and magic in your life.

I come from the _____ tribe (**Moon** position), as my lineage: it plays out in the ___ house, adding a _____ flavor; and I had the job or major of _____ (___house position of south node).

The energy or style I use to live my life is based on the sign of the Sun _____ meaning I am burning the fuel of the **Sun** in that seasonal time of year.

My Mars (emerging masculine identity for Men or intended connection with inner beloved, sacred masculine within for women) is in _____; it plays out in the ___ house (_____).

My Venus (intended emerging feminine identity for Women or the inner beloved sacred feminine for Men) is in _____; it plays out in the ___house (_____).

My Mercury (intended current life intent for thinking, perception and communication) is in _____, it plays out in the ___ House (_____).

My Jupiter is in _____; this is the intended fast track to my life purpose and enlightenment or the kinds of activities that help me quickly get to my life purpose.

These chart aspects are determined by Birth Time and Place. If you do not know time of birth we cannot put this information in.

I am going to the _____ tribe (**ascendant**) as my current life Mystery School, with the job or major of _____ (___house position of north node).

My relationship axis is _____; this is the MAIN reason I would choose to be in relationship.

My Midheaven is in the _____ sign, (_____ House – _____) describing how I am intending to make my creative contribution in the world through Right Livelihood. This is also the creative energy I intend to experience in the work I choose to do in the world.

My Home & Roots is in _____ (_____ House - _____) describing how I am intending to live personally inside myself. Said another way I am learning to be comfortable with this energy when I am at home within myself.
