

EMPOWERING YOUR CEREMONIAL SELF

Enlivening Your Personal Connection To The Sacred Through Ceremony

with Carolyn Brent & Adam Gainsburg
And Special Guest John Dumas, Sound Healer

Friday - Sunday ~ October 24 - 26, 2003 in Beautiful Sedona, Arizona

In a supportive and powerful Scorpio New Moon environment, Adam & Carolyn explore and engage many helpful tools and techniques to assist in further developing our unique and most meaningful connection to the Sacred through the creation of personal and group ceremony. This includes simple ways of applying Shamanic Astrology to aid in revealing life intent, consciously aligning with specific individual and collective timings or initiation cycles, and creating personally meaningful ceremony in concert with the unfolding mysteries of our life. Friday night includes a group co-created ceremony intended to create sacred space for whatever is most present for each of us.

Please be prepared to provide birth information (date, time (close as possible) and place of birth) at the time of registration to help provide the most personalized experience possible.

Special guest John Dumas is offering a night sky teaching and a Didjeridoo Dreamtime Journey. Not to miss!
